# ITS YOUR FIGHT, TOO!

In many Mississippi counties the white population is outnumbered by more than two to one by the negro population. The specter of negro political domination looms ominously with the apparent blessing of the Federal government.

Highly organized schemes are now being launched to force circuit clerks to register unqualified negro voters!

The only solution for the white Southerner is strong determined organization on every level. There is no acceptable alternative. Negro political domination would destroy property values, place the safety of all white people in jeopardy, and lead to complete chaos.

May we suggest that you reflect thoughtfully and seriously on so planning your giving that your contribution to your Citizens' Council may be commensurate with the results you want accomplished.

Your Citizens' Council dollar is working for your principles day and night. It never sleeps. Here are a few things it does.

1. Provides administrative services for the Council movement.
2. Provides speakers for local Councils, civic and patriotic groups.
3. Sends speakers thousands of miles into other sections.
4. Provides organizers for interested communities.
5. Maintains constant public relations for the movement.
6. Provides information services for the news media.
7. Does research and maintains voluminous files for many uses.
8. Prints and distributes millions of pieces of literature.
9. Publishes a magazine of nationwide circulation.
10. Sends a steady stream of informational material to libraries, students and publications.
11. Produces and distributes a weekly television and radio series which reaches several million persons regularly.
12. Provides an educational program in the high schools.
13. Keeps up a constantly-increasing volume of correspondence with supporters in every state and in many foreign countries.
14. Pays for the myriad services and supplies required to keep any large organization moving forward.

As you can see, your Citizens' Council dollar never rests . . .  
**AND WE HAVE JUST BEGUN TO FIGHT!**

The activities listed above are just a sample of the dozens of things your Council is doing daily in **YOUR** interest.

Your State Association operates on a limited budget. The reason our budget is so limited is that our people have not yet fully realized the need for the strongly-organized, thorough, aggressive and **SUSTAINED** campaign it takes to win this kind of conflict.

No white person can stand aloof from this struggle. Do your part by sending your check to:
